> OBJECTIVE

As each year, the AXA Group offers to its employees, in and outside of France, the opportunity to subscribe to shares issued by way of a capital increase reserved to employees. In doing so, the AXA Group hopes to strengthen its relationship with its employees by closely associating them with the future development and results of the Group.

The 2016 offering, called "SharePlan 2016", is taking place in 36 countries and involves approximately 120,000 employees who will, in most countries, be offered the opportunity to participate in both a classic offering and a leverage offering. The subscriber's initial investment in the leverage offering is guaranteed.

> SHARES TO BE ISSUED

- Date of the Shareholders' Meeting having authorized the capital increase: April 27, 2016.
- Dates of the Board of Directors'/Chief Executive Officer's decisions, acting upon delegation of the Board of Directors: June 17, 2016 (principle of the offering and fixing of the reservation period) and October 14, 2016 (fixing of the Reference Price, the Subscription Prices and the dates of the retraction/subscription period).

 - under the classic offering, for all countries: 80% of the Reference Price;
 - under the leverage offering, for all countries: 91.37% of the Reference Price.

The initial personal investment of the employees subscribing to the leverage offering will be guaranteed by a partner bank (Société Générale) and the subscribers will be entitled to a portion of the share price appreciation versus the Reference Price (without discount).

- The maximum number of new shares that may be issued pursuant to the offering is 58,951,965 shares, corresponding to a capital increase of a nominal amount of approximately Euro 135 million.
