IMPORTANT LEGAL INFORMATION AND CAUTIONARY STATEMENTS CONCERNING FORWARD-LOOKING STATEMENTS AND THE USE OF NON-GAAP FINANCIAL MEASURES

Certain statements contained herein may be forward-looking statements, including, but not limited to, statements that are predictions of or indicate future events, trends, plans, expectations or objectives. Undue reliance should not be placed on such statements because, by their nature, they are subject to known and unknown risks and uncertainties and can be affected by other factors that could cause AXA’s actual results to differ materially from those expressed or implied in such forward looking statements. Please refer to Part 5 - “Risk Factors and Risk Management” of AXA’s Universal Registration Document for the year ended December 31, 2022 (the “2022 Universal Registration Document”) for a description of certain important factors, risks and uncertainties that may affect AXA’s business and/or results of operations. AXA undertakes no obligation to publicly update or revise any of these forward-looking statements, whether to reflect new information, future events or circumstances or otherwise, except as required by applicable laws and regulations.

In addition, this press release refers to certain non-GAAP financial measures, or alternative performance measures (“APMs”), used by Management in analyzing AXA’s operating trends, financial performance and financial position and providing investors with additional information that Management believes to be useful and relevant regarding AXA’s results. These non-GAAP financial measures generally have no standardized meaning and therefore may not be comparable to similarly labelled measures used by other companies. As a result, none of these non-GAAP financial measures should be considered in isolation from, or as a substitute for, the Group’s consolidated financial statements and related notes prepared in accordance with IFRS.

Underlying earnings is an APM as defined in ESMA’s guidelines and the AMF’s related position statement issued in 2015. A reconciliation from the APM underlying earnings to the most directly reconcilable line item, subtotal or total in the financial statements of the corresponding period is provided on pages 46 and 47 of AXA’s 2022 Universal Registration Document. The treatment of certain non-GAAP financial measures in this press release for these purposes may change over time in connection with the development of IFRS 17/9 reporting practices.
